

Lynn Drake-Batts to Be Featured On "Remarkable Women"

Insite Commercial Group is pleased to announce that Lynn Drake-Batts, MCR of Troy, Michigan, will be featured on Florine Mark's radio show called "Remarkable Women". The program will air on WNIC 100.4 on Sunday February 23, 2003 at 7:00 a.m.

Mark asked Lynn to be a guest on the show to discuss how the challenge of climbing a mountain impacted her and became the foundation to transform her life on her 40th birthday. This event motivated Lynn to leave the corporate world and become a self employed commercial realtor. Lynn's focus is helping women owned and managed businesses find spaces to lease or buy in the Tri-County area. Her fifteen years of commercial real estate experience includes working as both a landlord and a tenant representative in office, industrial, retail and land.

Please join us in congratulating Lynn on her achievements. Don't forget to tune in to hear "Remarkable Women" on WNIC 100.4 on February 23, 2003 at 7:00 a.m.
