THE CITY OF TROY CELEBRATES A NEW LOCATION FOR COMPASS COMMERCIAL LLC ITRA GLOBAL

Compass Commercial LLC ITRA Global was founded by Lynn Drake in 2010, to exclusively represent tenants and buyers of commercial real estate.

The premier tenant advocate servicing small and medium size businesses with global commercial real estate needs is the mission of Compass Commercial LLC ITRA Global.

Compass Commercial LLC ITRA Global assists clients looking for new office space or an industrial building, approaching lease renewal dates, or looking to buy or sell a building. They take on the task of accurately assessing the amount of space needed, finding the appropriate location and conducting the tough negotiations that save clients 10%-30% on lease renewals and 20%-50% on relocation rates.

Backed by 25+ years of experience and a founder recognized as an expert in the industry, Lynn Drake and her team at Compass Commercial LLC ITRA Global remains focused on the "True North" in commercial real estate: "Putting Tenants and Buyers Needs First."

Troy is a place where families and businesses thrive - Michigan's premier address for business, retail and commerce. Our community is recognized for its excellent quality of life, including being the "Safest City in Oakland County," offering an A+ rated school system, and providing outstanding City services.

We are very proud of Compass Commercial LLC ITRA Global on securing a new contract with the State of Michigan to represent them with their commercial real estate needs in SE and SW Michigan.

We celebrate with Lynn Drake and her team - Marilyn Nix, Tim McClain and Michelle Owens - at Compass Commercial LLC ITRA Global on the move to a new headquarters at 100 W. Big Beaver Road, Suite 110 and future plans for growth and innovation. Compass Commercial is another great example of a business reinvesting in the City of Troy.

WE ARE EXTREMELY PROUD TO HAVE COMPASS COMMERCIAL LLC ITRA GLOBAL IN THE CITY OF TROY!
